Dear Sir:

In an Office Action dated 1771, the Examiner issued a Restriction Requirement with regard to the above-identified patent application. Generally, the Examiner indicated that Claims 27 through 47, drawn to a method of forming a mold insert, and Claim 48, drawn to a mold insert, were distinct inventions. Applicants hereby elect to prosecute Claims 27-47 in this patent application. However, Applicants respectfully reserve the right to pursue Claim 48 in a subsequent divisional/continuation application.

Respectfully submitted,

SHERIDAN ROSS P.C.
